Compressor Preventative Maintenance Contract

At the request of _____ (hereinafter referred to as "Purchaser"), Ed M. Feld Equipment Co., Inc. agrees to perform a Preventative Maintenance Program at the following Purchaser's facility:

Fire Dept/Company Name:	
Contact Name:	
Address:	
City, State ZIP	
Phone:	
Email:	

Preventative Maintenance work will be on the following Purchaser's equipment:

Model	Description	Serial Number

SCOPE OF WORK:

Preventative maintenance work includes the following:

1. **One** visit per year if on the Annual Contract or **Four** visits per year on the NFPA Annual Compressor Contract by a factory certified service technician.
2. One change per year of all consumable: one filter, one purifier cartridge (any additional cartridges & filters to be billed separately), lubricating oil, air intake filters, etc.
3. Diagnostic checks and services.
4. **One** Air Quality Test per year on Annual Contract or **Five** Air Quality Tests per year on the NFPA Annual Compressor Contract with a Certificate suitable for framing after each test.
Note: Per NFPA recommendations we perform an Air Quality Test prior to service on compressor and another Air Quality Test after the service. This is followed by 3 additional Air Quality checks per year on the NFPA Annual Compressor Contract only.
5. Travel expenses to and from Purchaser's facility.

Preventative maintenance work does not include:

1. Non-consumable repair parts such as valves, gauges, check valves, etc.
2. Labor and parts to repair problems discovered in the course of completing the preventative maintenance work.

If the necessity for any repair and/or replacement is discovered in the course of completing preventative maintenance work, the Purchaser shall be so advised of that fact and shall be advised of additional costs.

SCHEDULE:

One visit will be made to the Purchaser’s facility on the Annual Contract. **Four** visits will be made annually on the NFPA Annual Compressor Contract. During each visit, the preventative maintenance work as covered in section SCOPE OF WORK will be performed. Visits will take place during normal working hours on a week day, or at a time mutually agreeable to the Purchaser and Ed M. Feld Equipment Co., Inc.

GENERAL:

- The Purchaser shall provide free access to all equipment during normal working hours so that preventative maintenance called for by the Contract may be carried out.
- The Purchaser shall provide all utilities as are required to carry out the preventative maintenance work called for by this Contract.
- Equipment design corrections or modifications are not covered by this Contract.
- In the event emergency repairs are required during the contract period, an emergency visit can be substituted for a routine preventative maintenance visit by the Purchaser issuing a Purchase Order to cover the cost of travel to and from the Purchaser’s facility. During the emergency visit, both repairs and preventative maintenance work will be performed. Charges for repair work and parts not included in preventative maintenance work will be based on standard labor and parts rates.
- A Purchase Order or written authorization will be required to cover repair work and expenses over and above preventative maintenance work.
