Truck Service Contract

At the request of _____ (hereinafter referred to as "Purchaser"), Ed M. Feld Equipment Co., Inc. agrees to perform a Maintenance Program at the following Purchaser's facility:

Fire Dept/Company Name:	
Contact Name:	
Address:	
City, State ZIP	
Phone:	
Email:	

Maintenance will be performed on the following apparatus:

Apparatus Description	Pump Brand	VIN

SCOPE OF WORK:

Maintenance Service Provided

1. Check all valves for operation and leakage.
2. Lubricate remote controls.
3. Check controlled packing leakage..
4. Check drive line bolts.
5. Check gauge calibration.
6. Check oil level in auto lube assembly.
7. Lubricate power transfer cylinder, power shift cylinder.
8. Lubricate shift control valve.
9. Change pump gear box oil and refill.
10. Check individual drain lines from pump to multi-drain to ensure proper drainage and protection from freezing.
11. Lubricate transfer valve mechanism on two stage pumps.
12. Check all lighting, bulbs, lens, motors, reflectors, etc.
13. Check all compartment hinges, lights, locks, openers, etc.

Maintenance Does Not Include:

1. Non-consumable repair parts such as valves, gauges, check valves, etc.
2. Labor to repair problems discovered in the course of completing the maintenance work.

If the necessity for any repair and/or replacement is discovered in the course of completing maintenance work, the Purchaser shall be so advised of that fact and shall be advised of additional costs.

SCHEDULE:

One visit will be made to the Purchaser’s facility on the annual contract. During each visit, the maintenance work as covered in section SCOPE OF WORK will be performed. Visits will take place during normal working hours on a week day, or at a time mutually agreeable to the Purchaser and Ed M. Feld Equipment Co., Inc.

GENERAL:

- The Purchaser shall provide free access to all equipment during normal working hours so that the maintenance called for by the Contract may be carried out.
- The Purchaser shall provide all utilities as are required to carry out the maintenance work called for by this Contract.
- Equipment design corrections or modifications are not covered by this Contract.
- In the event emergency repairs are required during the contract period, an emergency visit can be substituted for a routine maintenance visit by the Purchaser issuing a Purchase Order to cover the cost of travel to and from the Purchaser’s facility. During the emergency visit, both repairs and maintenance work will be performed. Charges for repair work and parts not included in maintenance work will be based on the Price and Terms of Payment section below.
- If a problem is discovered in the courses of completing maintenance work that is not field repairable, the Purchaser must return the equipment to the factory, which can be assisted by Ed M. Feld Equipment Co., Inc.
- A Purchase Order or written authorization will be required to cover repair work and expenses over and above maintenance work.

PRICE & TERMS OF PAYMENT

Preventative maintenance work shall be performed by Ed M. Feld Equipment Co., Inc. on the price and terms of payment outlined below:

The charge for maintenance work is: \$75.00/hour + oil and any parts. Travel expense is \$75.00/hour and will be split with any service run that is coordinated at the same time as your work is being done.
